Weight limit: 95 kilos

Nearest airport: Tours/Paris

8 days / 7 nights / 6 days riding

The great castles of the Loire Valley are arguably among the finest legacies history has left us. Chenonceau, Cheverny, and Chaumont are outstanding examples of the tremendous flowering of French culture and can be visited on this seven night trail ride starting in Montrichard and ending in Pontlevoy. You will journey across the Loire Valley, stopping at its majestic renaissance castles en route. Beautiful scenery, responsive horses and great food and wine, this is the ideal trail for lovers of French history, culture and architecture.

The Riding

The pace on this trail is varied to suit the terrain with long periods of walk and plenty of opportunities to canter and gallop. The scenery encompasses rolling hills, green, sun-drenched vineyards, woods and forests. Riders must be comfortable in all paces and happy to do some fast riding in open spaces on an obedient and responsive horse. Riders need to be in good physical condition, you will be in the saddle for between 4-6 hours per day.

Guides & Group sizes

As well as being experienced horsemen and women, your guides on this trail have a thorough knowledge of local history. All guides are multilingual French/English and the group size is between 5-10.

Horses and Tack

The horses are pure or cross-bred Arabian or Thoroughbreds and warmbloods varying in height from 15.2hh to 17hh. The horses are exceptionally well-schooled and good-mannered at this destination and many of them have been bred and trained by your hosts themselves. The tack

used is specialist trail riding saddles and you will be provided with saddlebags, a rain poncho, and a water bottle. Horses are ridden in Myler bits which help to facilitate effective communication between horse and rider and a relaxed and happy horse. Helmets are not mandatory but are strongly recommended.

Accommodation & Dining

Accommodation on this trail is in small, charming hotels or guesthouses, nestled into the rural surroundings. You'll stay in a different location each night of the trail, some have swimming pools. Most of the rooms will have an en suite bathroom although this cannot be guaranteed. Rooms are twins or doubles although single rooms are available for a supplement. The luggage is transported in the support vehicle and transferred to each accommodation so you only need to carry daily essentials in your saddle bags.

Continental breakfasts are served at your hotel each morning typically consisting of a hot drink (tea, coffee, hot chocolate), juice, breakfast pastries (croissant, pain au chocolat, pain aux

raisins), bread, butter and jam, and sometimes yogurt. Lunches are traditional french pique-niques, expect fresh baguettes, sumptuous cheeses, salads and tasty charcuterie, along with a bottle of something local. Dinner will be typical French fare comprising several courses of regional specialities. Please note that wine is not included with dinners.
